

April 29, 2020

Dear 4K Families!

Here at D.C. Everest, we are very excited to have your child participate in our 4K Program for the 2020-2021 school year! We want to assure you that we have received all of your child's 4K registration paperwork, requested placement, and bussing requests for those requesting transportation.

D.C. Everest is committed to doing what is best for our students and families; with the guidance of the Marathon County Department of Health, we will continue to monitor and plan for the 2020-2021 school year. It will be our goal to keep you updated with information as our current situation evolves.

Please feel free to contact me directly with any questions or concerns you may have. We appreciate your understanding as we all navigate these uncertain times, and we wish your families well. We look forward to the time we can meet you and your 4K student for this exciting start of their early learning as an Evergreen!

The D. C. Everest website is updated on a regular basis and is a great resource for information.
