

## 2020-21 DCE Community Services Preschool Classes

We are very excited to offer our preschool program for the upcoming school year! The primary purpose of our program is to provide each child with an opportunity to be exposed to a variety of basic preschool skills including coloring, use of scissors & glue, listening & following directions along with social interactions with other children. Show 'n tell, story time and snack are also important parts of our daily activities. Children will also be introduced to a variety of literature to enhance reading & readiness skills.

Children must be 3 years old by the first day of class and be potty trained and out of diapers.

Classes are taught by Cyndi Schaefer and are held at Redeemer Lutheran Church at 6404 Old Costa Lane in Weston. We offer a Wednesday only class for 3-4 year olds as well as a class that is held on Tuesdays & Thursdays for 4-5 year olds. All classes meet from 9-11:30am.

In a change from previous years, we will not hold class during our traditional Session 1 (September/October). Classes will begin at the start of Session 2. See chart below.

If we do not have sufficient enrollment to hold one or both classes, we will contact each family currently registered. Often times we can combine classes or make other arrangements rather than cancelling. Please register for the class you would like your child to attend and we will reach out if any changes need to be made.

**Online registration will open on Monday, August 24<sup>th</sup>.** Please follow this link to our online registration site: <https://app.booking.ca/greenheckpub/courses/index.asp>

There may be instances during the year when current covid-19 conditions will force us to alter or cancel classes. We will work with families to keep everyone updated on the current status of preschool. We will also share our covid-19 procedures with registered families, prior to the start of class.

If D.C. Everest schools are cancelled due to weather or if the church needs use of their space, preschool will not meet. These classes are not made up nor are refunds given.

If you have any questions regarding our preschool program, please reach out to our office at 715-359-6563.
