

D.C. Everest Community Services

2019 SNAG Golf Class

The D.C. Everest Community Services Office is excited to offer SNAG golf class this winter! SNAG stands for "Starting New At Golf" and is a fun game that is easy to learn and can be played anywhere. SNAG contains all the elements of golf but in a modified form. Falling somewhere between mini-golf and regulation golf, SNAG allows for full shots, pitching, chipping and putting. It is a proven learning & training tool for entry-level golfers and those just looking to have fun!

Class will be taught by PGA Professional Buck Welsh. Buck also teaches our youth and adult golf lessons during the summer months. Instruction will include lessons on the stance, grip, full swing, pitching, chipping, putting, etiquette and rules. SNAG has its own unique set of equipment, suitable for indoor play, and all equipment is provided as part of the lessons. SNAG clubs and balls are much easier for kids to use, making the class enjoyable for everyone. To learn more about SNAG golf, visit the product website at www.snaggolf.com. Contact the community Services office at 715-359-6563 for program information.
