LAST UPDATE: MARCH 2016

Local early childhood professionals, in partnership with the DC Everest School District and the community are dedicated to providing high quality, developmentally appropriate learning experiences to all four-year-old children.

A Collaborative Approach To Serving Four Year Olds

4

Reasons to 4K in the D.C. Everest School District

D.C. Everest Schools in a partnership with local Early Childhood Professionals are proud to offer...

1. A Safe and Nurturing Environment

Enrolled four year-olds will be provided with a safe, caring environment within which to learn and grow. Each of our 4K partnering agencies provide certified early childhood educators to meet the social and emotional needs of all learners. It is our responsibility to view each child as a unique, life-long learner, capable of great achievements.

2. Educational Benefits

Research shows that children with preschool experiences begin school more ready to learn and achieve greater overall success. (Reynolds, Mavrogenes et al., 2008)

3. Family Partnerships

We recognize and support parents as partners in their child's education and care. Throughout the school year opportunities for family involvement are available. These may include academics, arts and crafts, parenting, fitness, drama, cooking, and much more!

4. Research-Based Curriculum

At each partnering agency a licensed teacher implements The Creative Curriculum® For Preschool in order to provide consistent learning experiences in the areas of Literacy, Mathematics, Science, Social Studies, Language Development, Social-Emotional Development, Cognitive Development, Physical Development, The Arts, and English Language Acquisition.

"The Creative Curriculum is widely regarded as a forward-thinking, comprehensive, rigorously researched curriculum approach that honors creativity and respects the role that teachers play in making learning exciting and relevant for every child."

Getting Started...

Registration takes place during the second full week of February

✓ Students must be 4 years old by Sept. 1

✓ Visit a convenient 4K partnering agency
(See map and contact information on reverse side.)

✓ Complete the registration packet available at each site

✓ For additional information contact a 4K partnering agency or visit the DCE website
